

Podcasting and Music Production Studio

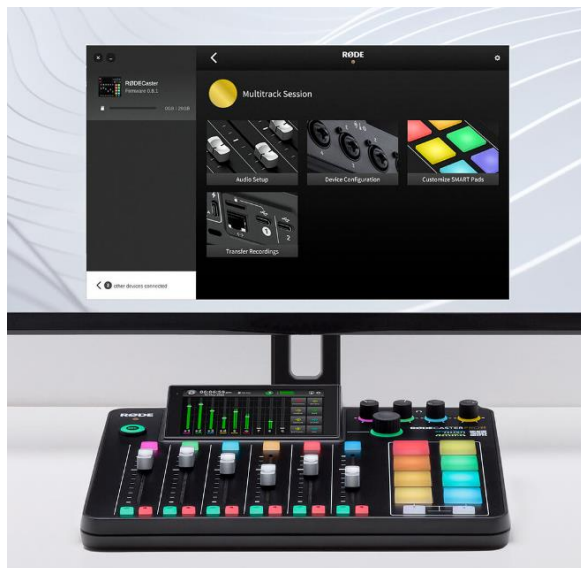

Are you looking to set up a podcast but don't know where to begin? Are you a natural storyteller itching to get your voice out there? Do you want to share inspiring stories or want to promote a business venture in Wythenshawe and beyond? Fear not, here at the Forum library we have you covered.

The Podcasting studio will be free to use for community groups and local charities. We want to make this space as equitable as possible ensuring the empowerment of the local community.

We will also have a music production studio with Pioneer DJ DDJ-400 Rekordbox Controller for any budding DJ's in the community.
