

Yamaha TF1 Digital Mixing Console

Overview:

- TF Series Digital Mixing Consoles allow sound engineers to respond to the music and artists on stage with unprecedented speed and freedom, taking live sound reinforcement to a new level of refinement.
- Our new TouchFlow Operation makes it easy for experienced engineers and newcomers alike to achieve a perfect mix in no time, while recallable D-PRE pre-amplifiers support sound quality that will satisfy the most discerning professional ears.
- High performance processors and effects, advanced live recording features, and seamless operation with high-performance I/O racks give these compact digital mixers capabilities that make them outstanding choices for a wide range of applications.

Features:

- 17 motor faders (16 channels + 1 master)
- 40 input mixing channels (32 mono + 2 stereo + 2 return)
- 20 Aux buses (8 mono + 6 stereo) + Stereo + Sub
- 8 DCA groups with Roll-out
- 16 analogue XLR/TRS combo mic/line inputs + 2 analogue RCA pin stereo line inputs
- 16 analogue XLR outputs
